1.

I am the mother father legal guardian legal custodian of following minor child(ren), who are the subject of this Modification of Custody action filed by the Petitioner:

<i>Name of Child</i>	<i>Male / Female</i>	<i>Year of Birth</i>

2.

I hereby give my consent to the following provisions, by writing my initials next to them.
I do not agree to any of the provisions unless I have written my initials next to them.

*[Write your initials next to **only the ones to which you agree.**
Draw a line through the ones to which you do not agree]*

_____ (a) The Petitioner and I have reached an agreement on custody and visitation for the child(ren). The completed Permanent Parenting Plan is attached. I understand that it will be included in the final order in this case.

_____ (b) On the issue of child support:

[Write your initials next to only one of the following, (1) to (4).]

_____ (1) Child support has already been decided for the child(ren) by a court or agency in another case.

- _____ (2) I want the Court to decide child support and enter a child support order as part of this Modification of Custody case.
- _____ (3) The Petitioner and I have reached an agreement on child support for the child(ren), and it is consistent with the Georgia child support guidelines. The completed Child Support Addendum is attached. I understand that it will be included in the final order in this case.

3.

I have read this consent document, and I understand it. I am giving my consent freely. I have written my initials next to all of the provisions in Paragraph 2 to which I am agreeing. I am not being forced to sign this consent, and I believe the provisions initialed above are in the best interest of my child(ren).
